“No man or woman has achieved an effective personality who is not self – disciplined. Such discipline must not be an end in itself, but must be directed to the development of resolute character.”

This is what our School believes in – and expects our students to believe in self-discipline because the only discipline that lasts is **self-discipline**.

1. Parents are requested not to enter into class-rooms to see their children or teachers during class hours without the permission of the Principal and Director(s).
2. Parents must inform the school if there is any change in their address and/or telephone numbers.
